

Appian Recognized in 2024 InsurTech100 List

October 31, 2024

A leader in enterprise low-code application platforms drives transformation and innovation for insurers

MCLEAN, Va., Oct. 31, 2024 /PRNewswire/ -- Appian (Nasdaq: APPN), a leading enterprise platform for process orchestration and automation, is proud to announce its inclusion in the [InsurTech100](#) list by Fintech Global for the second consecutive year. Selected by a panel of industry experts and analysts, the InsurTech100 honors the world's most innovative companies transforming the insurance industry through technology.

Appian is proud to announce its inclusion in the InsurTech100 list by Fintech Global.

"We are thrilled to be recognized in the InsurTech100 again this year," said Jake Sloan, VP of Global Insurance at Appian. "This recognition is a testament to our continued focus on helping insurance companies achieve digital transformation through intelligent automation, AI, and low-code technology. We remain committed to providing innovative solutions that empower insurers to enhance collaboration, streamline operations, and deliver exceptional customer experiences."

Founded in 1999 and celebrating its 25th anniversary, the [Appian Platform](#) is trusted by leading insurers, including Pacific Life and Aon. Appian is the only InsurTech100 company that is a [Gartner® Magic Quadrant™ Leader](#) for Enterprise Low-Code Application Platforms and ranked #1 for Complex Internal Applications Use Case in the 2024 Gartner® Critical Capabilities Report.

Appian has partnered with [insurance solutions providers](#) to deliver value and drive results to our joint customers with existing deployments. Insurance companies also leverage Appian's prebuilt insurance solutions to streamline complex processes and improve operational efficiency, including [Connected Claims](#), [Connected Underwriting for Life Insurance](#) and [Property and Casualty](#).
